

MORE POWER

The Value of a Second Source for Mobile Devices

- Extend the life of legacy products after they are discontinued by the OEM
 - Continued support from GTS allows you to decide when to upgrade a product, not the OEM
- Get the products you need when the supply chain is disrupted
 - GTS keeps stock on hand and provides drop shipping
- Gain access to additional product expertise and unique products
 - GTS has 5-in-1 charging holsters that double the runtime of a device

About Us

Global Technology Systems, Inc. (“GTS”) is the trusted expert in mobile power technology. GTS designs and manufactures high-performance batteries, chargers, and power management technologies for essential mobile devices. Millions of public safety, government, military, and business professionals rely on GTS to power mission critical communications and mobile computing applications. Founded in 2000, GTS is headquartered in Framingham, Massachusetts.
